

# The Valuation Of Industrial Property: A Classified Annotated Bibliography

82

## APPENDIX A

### Annotated Bibliography

The references in each category (reports/books, papers, articles, and so forth) are sorted by year in descending order, and within each year by author in alphabetical order.

#### Organizations and Major Research Projects

- [1] Common Ground Alliance (CGA)  
<http://www.commongroundalliance.com>  
The Common Ground Alliance (CGA) is a member-driven association dedicated to ensuring public safety, environmental protection, and the integrity of services by promoting effective damage prevention practices.
- [2] Engineering and Physical Sciences Research Council (EPSRC)  
<http://www.epsrc.ac.uk/default.htm>  
The Engineering and Physical Sciences Research Council is the United Kingdom's funding agency for research and training in engineering and the physical sciences.
- [3] European Street Works Research Advisory Council (ESWRAC)  
<http://www.ESWRAC.org>  
This organization is a group of European utilities, cities, and transport organizations that promotes research in identifying buried utilities.
- [4] Federal Energy Regulatory Commission (FERC)  
<http://www.ferc.gov>  
FERC is an independent agency that regulates the interstate transmission of natural gas, oil, and electricity.
- [5] Federal Laboratory Consortium for Technology Transfer (FLC)  
<http://www.federallabs.org/store/greenbook/>
- [6] Geospatial Information and Technology Association (GITA)  
<http://www.gita.org/>  
GITA is a nonprofit educational association serving the global geospatial community.
- [7] GIGA  
[http://www.osys.co.uk/download/gigaproject\\_paper.pdf](http://www.osys.co.uk/download/gigaproject_paper.pdf)  
GIGA was a research study aimed at improving ground-penetrating radar (GPR) to locate buried pipes or other structures. The Thalès group, Tracto-Technik, Ingegneria dei Sistemi SpA (IDS), and Groupement européen de recherche gazière (GERG, European gas research group) partnered with the Research Division of Gaz de France.
- [8] Mapping the Underworld (MTU)  
<http://www.mappingtheunderworld.ac.uk>  
This website is for the EPSRC research project aimed at locating buried utilities.
- [9] Underground Utility and Leak Locators Association (UULLA)  
<http://www.uulla.org>  
UULLA is a nonprofit association of firms and individuals involved in providing underground utility and leak detection services to municipalities, private property owners, industry, engineers, architects and others.
- [10] U.S. Department of Transportation, Office of Pipeline Safety (OPS)
