

Capitalism, Democracy, And Welfare

CULTURE:

PROGRESSIVISM & WELFARE CAPITALISM

At the turn of the 20th century, many Americans felt a need to correct many of the social problems that had developed as a result of the tremendous economic and population booms in post Civil War America. The "progressives," as they became known, fought for a wide range of political, social, and economic reforms. A number of late 19th century entrepreneurs attempted to institute progressive reforms in their own businesses. No one instituted a larger number of reforms than George F. Johnson. Through his efforts and his principles of the Square Deal, Johnson created a corporate culture he dubbed Industrial Democracy.

QUESTIONS

1. What are welfare capitalism and industrial democracy? How would you define these terms in your own words?
2. What is philanthropy? Why did many industrialists practice philanthropy during the late 19th early 20th century? What are some examples of philanthropic contributions in your community?
3. What are the four ideals of Johnson's Square Deal? How did Johnson's Square Deal compare with President Teddy Roosevelt's Square Deal?
