Mr. Capper's  
Report of  
24th August 1818

REPORT of the state of Morals among the Convicts confined  
on board the Hulks in Portsmouth Harbour, 30th June 1818.

Enclosure (B.)  
in No. 1.

THE Convicts have continued for the last half year to behave in the most orderly manner. The schools are in a flourishing condition. Attention, and even devotion, are conspicuous among the Prisoners during Divine service. They are frequently to be seen reading the Bible in their wards; and they all regularly attend prayers in the Chapel every evening. An improvement has been made in separating the young boys still more completely than before from the rest of the Convicts: and, in every respect, the present state of the Convicts may be considered as extremely satisfactory.
